

BRICKFAIR

LEGO® FAN EXPO

BrickFair 2018

GBC Workshop Module

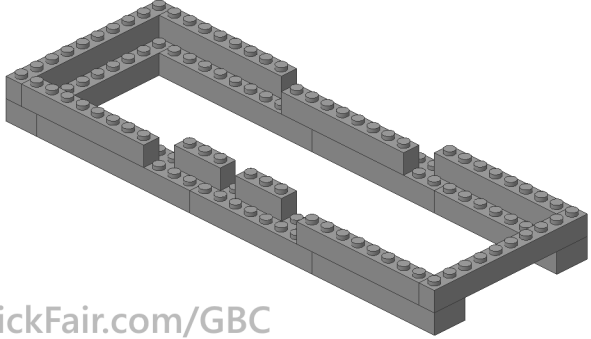

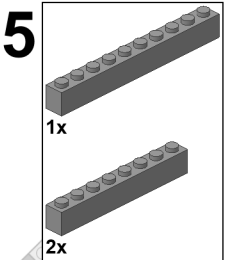

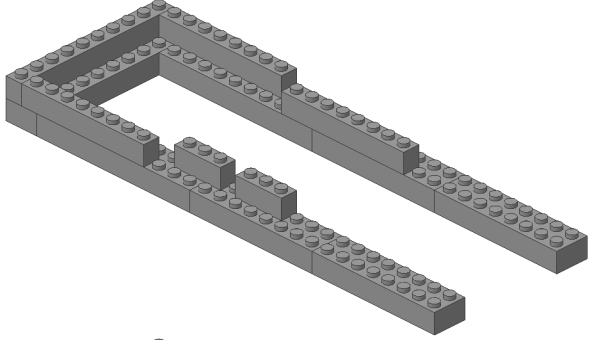

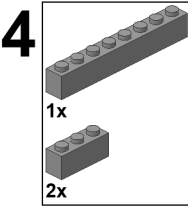

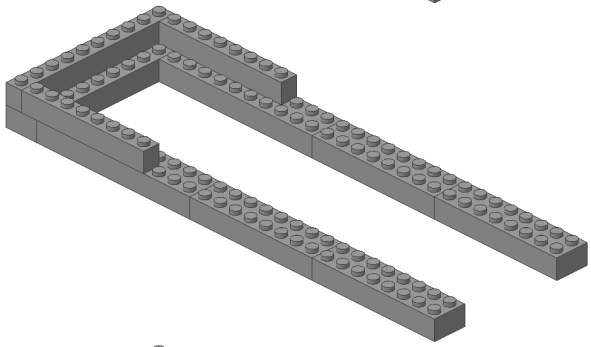

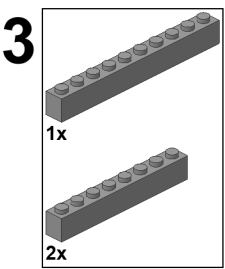

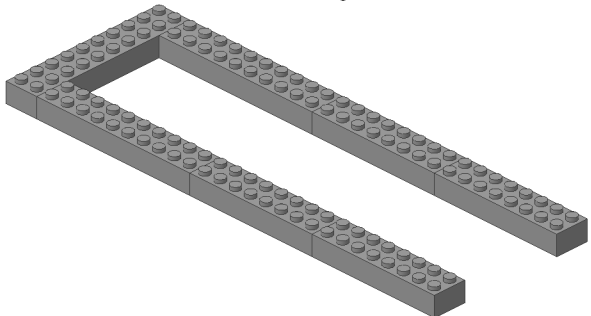

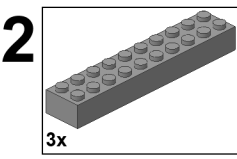

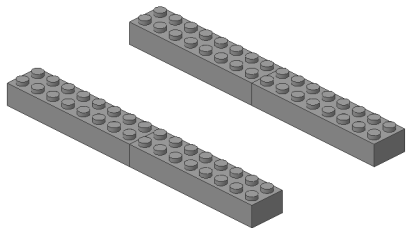

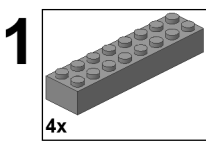

Instructions

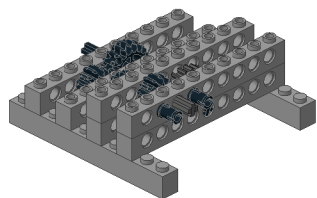

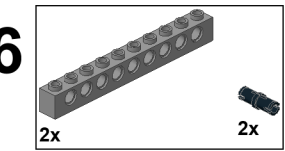

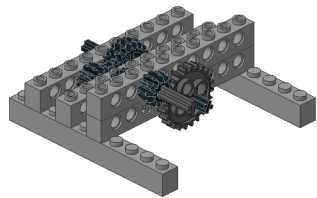

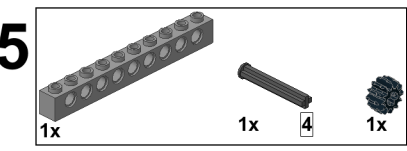

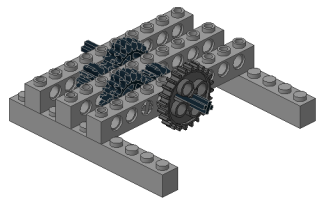

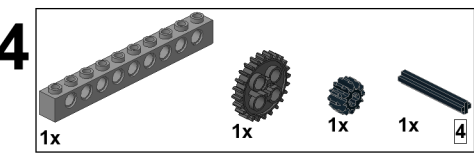

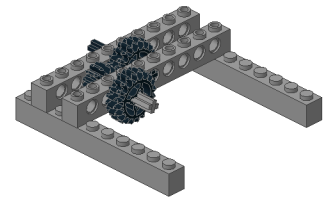

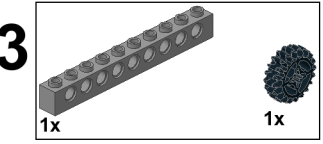

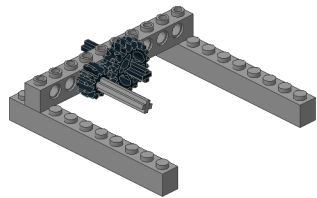

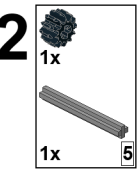

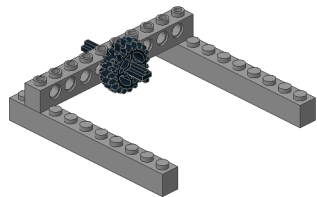

Designed by Stuart Roll

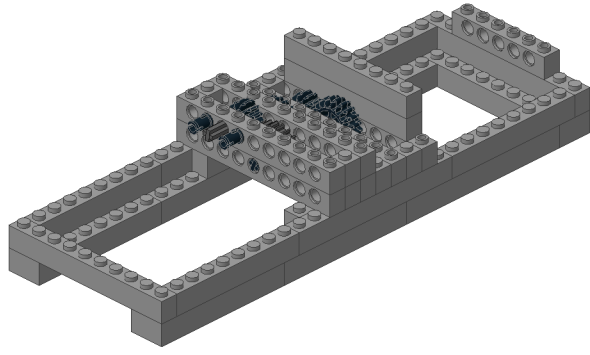

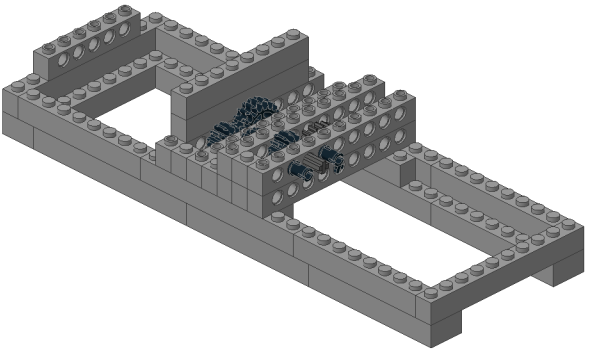

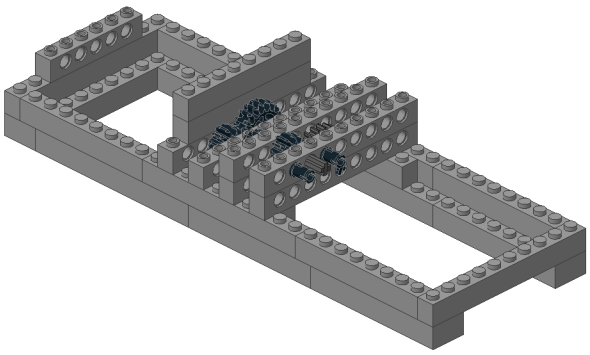

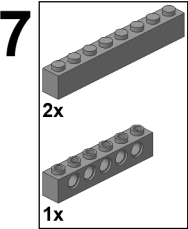

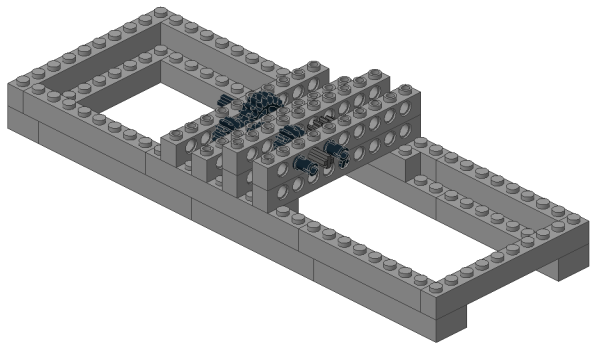

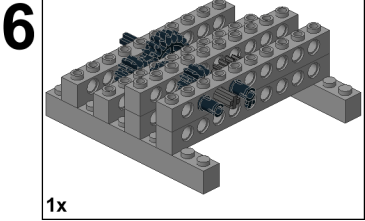

This set is being sold below cost to encourage more people to build for, and participate in, the Great Ball Contraption. The difference in cost is covered by a gift from the estate of Bill Bourn who wanted BrickFair to support kids and specifically the Great Ball Contraption, which Bill thoroughly loved. Thank you Bourn family.

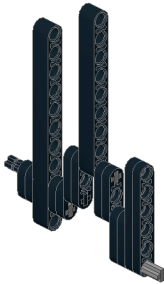

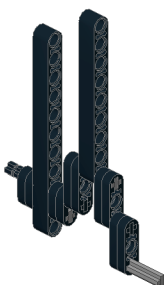

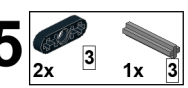

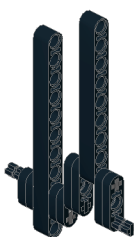

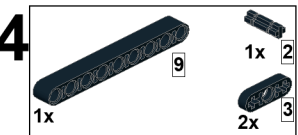

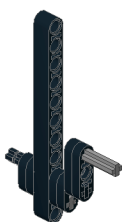

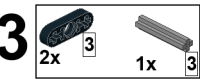

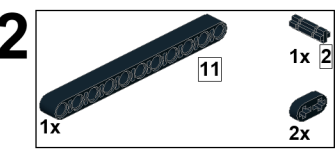

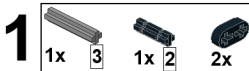

BrickFair is not affiliated with The LEGO Group.
We just love their stuff.
